

REMARKS

The Examiner has requested a “clean copy” of the specification incorporating all changes made thereto including those made in the November 27, 2007 Reply To Office Action (“ROA”).

Applicants respectfully submit herewith a “clean copy” of the specification as requested. The “clean copy” includes all the changes shown in the marked-up copy submitted on May 6, 2009.

An early and favorable action to applicants’ ROA is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Garry J. Tuma", is written over a horizontal line.
